TESTAMONIAL

This is the second venue in which I've used PubsClubs. In fact, when I took up the General Manager's role at the Thirroul Bowling Leagues & Recreation Club, one of the first things I did was to bring PubsClubs onboard who are experts at reducing costs thus saving the Club ten's of thousands of dollars. PubsClubs focus on quality customer service is outstanding and they have always provided me with information requested in an expeditious & timely manner with a comprehensive explanation of preferred suppliers.

We are a small to medium sized club and don't have the resources for marketing personnel or to focus on finding the best price for every invoice we get. That's why I value PubsClubs so highly. The FREE website & content management system is very user friendly which is an added bonus for the club and such an effective marketing tool. PubsClubs are a valuable resource @ a fraction of the cost of an employee!

Thank you PubsClubs.

Yours sincerely,

Glenn MacMillan J.P, A.C.C.M
